A FINE ART CURATION

BEST WEDDING VENUES IN PROVENCE AND THE FRENCH RIVIERA

HOTEL BELLE RIVES

In 1925 F. Scott and Zelda Fitzgerald set down their trunks on the French Riviera and succumbed to the charm of a residence called Villa Saint-Louis in a cove of Cap d'Antibes. It is here that he wrote his masterpiece *Tender is the Night*, transforming the Villa Saint Louis into a resort for wealthy Americans discovering the pleasure of decadent parties and sea bathing. In 1929 the villa became the five star Hôtel Belles Rives.

Why we love it

Hôtel Belles Rives is nestled on the coast with an exceptional view of the Mediterranean. The elegant decor evokes The Great Gatsby vibes and the interior corridors are designed to emulate a ship with unique scenery.
