

I love to share my cooking, which I elaborate together with my kitchen team. We are devoted to an ideal cuisine constantly changing, a moment of timelessness reflecting joy and emotion.

The genuine beauty of our region inspires us to propose an incredible culinary experience, highlighting the products of our local farmers and producers.

Aurélien Véquaud
La Passagère Chef

From our terrace overlooking the Great Blue, we have imagined an agreement dishes and wines that come only from islands of the Mediterranean.

We went to look in the most unusual places, grape varieties forgotten and some wines with strong personality, confidential production.

Set sail on a cruise of subtle flavors, where handcrafted wines elevate each meal into a unique and memorable experience.
