## ZIMMERMANN SET THE SOUNDTRACK TO SUMMER IN ANTIBES

---

Nicky and Simone Zimmermann welcomed friends of the House to Antibes for The Sound of Summer, a three-day celebration marking the beginning of the season on the French Riviera.

Set against the Mediterranean, music provided the through line of the experience, creating a soundtrack that carried guests from golden hour gatherings by the sea to late-night dancing and sun-drenched afternoons.

The celebrations began at Hotel Belles Rives, where guests arrived by boat dressed from the upcoming Fall 2026 collection. As the sun set over the Côte d'Azur, Suki Waterhouse delivered an intimate surprise performance before guests gathered for dinner beneath a monumental sail-like installation overlooking the water.

The following day, guests reconvened at Villa Dorane to discover ZIMMERMANN's High Summer 26 collection. Framed by the villa's gardens and Mediterranean views, the afternoon unfolded between a long lunch, vinyl listening bar and poolside celebrations. As the day progressed, music once again set the rhythm, with friend of the House DJ Mimi Xu providing the soundtrack to a Riviera afternoon that stretched into dusk.

Throughout the event, fashion, music and destination came together to capture the spirit of a ZIMMERMANN summer: relaxed, optimistic and unmistakably elegant.
